AOTEAROA WAVE AND TIDAL ENERGY ASSOCIATION

“AWATEA will promote, aid and foster a vibrant and viable marine energy industry in New Zealand”

AWATEA will be the national association for the representation of industry and research interests in marine energy and its uses. AWATEA will have the following objectives to:

1. **promote the marine energy industry** in New Zealand, including research, energy generation, marine fabrication and marine services;
2. **increase recognition and utilization of marine energy** as another energy source in New Zealand’s supply portfolio;
3. act as a **centre for advocacy of marine energy**, including lobbying, drawing up submissions to Government and representing the views of the marine energy industry;
4. become an **exchange for information about the marine energy sector**, to provide and publish statistics and informed commentary on issues affecting the uptake of marine energy in New Zealand;
5. be a **meeting place for marine energy industry participants**; and
6. **represent the New Zealand marine energy industry** to international bodies, including governments, non-governmental organizations and other industry bodies.

OBJECTS and RULES of the ASSOCIATION

It is a requirement of membership of AWATEA that all applicants will support the Objects and comply with the Rules of the Association. Copies of the Rules are available on the AWATEA website (www.awatea.org.nz) or on the Companies Office website at www.companies.govt.nz.

By submitting this application you acknowledge and confirm that:

- you are authorised to apply for membership on behalf of the Member;
- the Member will support the Objects of AWATEA; and
- the Member agrees to be bound by AWATEA's Rules of Association.
